## Meadowdale

Hart Furniture introduces the Meadowdale Group, a timeless collection that is sure to have wide appeal. Attention has been paid to all the details, most obvious are the rich hand carvings that adorn the group. These are real hand carvings that are very detailed - so unique that the carvings on the crib corner posts actually wrap around the posts. The crib is convertible to a day bed, and to a full size bed with the addition of the optional bed rails (sold as a special order).

*Above: The Combo features Swing Out Drawers™ to make the changing task easier by putting the necessary changing items right at the parent's hand. A hand carved gallery rail completes this elegant combo.*

*Left: The Crib converts to a day bed and a full size bed with the addition of the optional bed rails as shown.*
